

8th Grade Kingswood Regional Middle School Student Survey

Kingswood Regional Middle School is participating in a NELMS School Assessment. An important part of this process is the school's self-study where faculty, students, and parents are asked to provide information about the school. This questionnaire asks you questions about school: what you are learning, methods teachers use for lessons, how your school is organized, extra-curricular activities, etc.

Thank you for completing this survey and providing important information to your school. In responding to the questions, please indicate your opinion by marking each statement as follows:

- Select Strongly Agree
- Select Agree
- Select Disagree
- Select Strongly Disagree
- Select Don't Know

Example:

My school and my teachers expect me to do my very best.

Strongly Agree

In this case, the student strongly agrees that the school and teachers expect him/her to do his/her very best.
